

ONE BRAVE NIGHT....

"WE NEED A BETTER
UNDERSTANDING!"

- Get rid of the **MILITANT LANGUAGE** left over / imported from past failures like the **WAR ON DRUGS**!..
- Reflect the current **REALITY**, which is that so-called "mental illness" is "chronic" or - if you prefer - the human condition and - so far as anyone can know - **PERMANENT**....
- Reflect that what **YOU** call "mental illness" is **MY** way of life - and be **RESPECTFUL**....
- Reflect this **WAY OF LIFE** in every thing the pretends to be about me....
- **STOP** the **SLIPPAGE** at **SCAMH** from **EDUCATION** to **PROPAGANDA** - it's become a **CATARACT**...
- Be **SKEPTICAL** - as befits an institution that purports to be **EVIDENCE-BASED**....
- Get **RID** of the maudlin **SENTIMENTALITY** - it's "**STIGMATIZING**" (**YOUR** word) - it's **STUPID!** (**MINE!**)....
- **DON'T** get **CO-OPTED** by **BIG DUMB PR FIRMS** - Dentsu / Dentsubos - **ARE** you **LISTENING?** **NOOO...**
- **MOAN**....

UNDERSTANDING!"
